

Notices

Federal Register
Vol. 61, No. 48
Monday, March 11, 1996

This section of the FEDERAL REGISTER contains documents other than rules or proposed rules that are applicable to the public. Notices of hearings and investigations, committee meetings, agency decisions and rulings, delegations of authority, filing of petitions and applications and agency statements of organization and functions are examples of documents appearing in this section.

DEPARTMENT OF AGRICULTURE

Forest Service

Beaverhead Forest Plan Amendment; Beaverhead-Deerlodge National Forests; Beaverhead, Madison, Gallatin, Silver Bow, and Deer Lodge Counties, Montana

AGENCY: Forest Service, USDA.

ACTION: Revised Notice; intent to prepare environmental impact statement.

SUMMARY: This is a revision of a Notice of Intent originally published in the Federal Register by the Forest Service (60 FR 49393), September 25, 1995. The original notice stated the Forest Service will prepare an environmental impact statement (EIS) to amend both the Beaverhead and Deerlodge Forest Plans to include further riparian direction.

This revision proposes amending only the Beaverland Forest Plan. The purpose is to determine what combination of goals, objectives and standards will restore and/or maintain riparian function.

DATES: The scoping period for this analysis ran from September 25 through November 15, 1995.

ADDRESSES: Written comments were sent to Deborah L.R. Austin, Forest Supervisor, Beaverhead-Deerlodge National Forests, 420 Barrett Street, Dillon, MT 59725.

FOR FURTHER INFORMATION CONTACT: Diane Petroni, Environmental Analysis Team Leader, Madison Ranger District, 5 Forest Service Road, Ennis, MT 59729, or phone: (406) 682-4253.

SUPPLEMENTARY INFORMATION: Further information about the proposed action, issues, and how comments are used can be found in the original notice of intent. The only change is the deletion of the Deerlodge portion of the Beaverhead-Deerlodge National Forests from the analysis.

Another formal opportunity for response will be provided following completion of a DEIS. The draft EIS should be available for review in November, 1996. The final EIS is scheduled for completion in August, 1997.

The Forest Supervisor of the Beaverhead-Deerlodge National Forests is the responsible official who will make the decision. She will decide on this proposal after considering comments and responses, environmental consequences discussed in the Final EIS, and applicable laws, regulations, and policies. The decision and reasons for the decision will be documented in a Record of Decision.

Dated: February 26, 1996.

Deborah L.R. Austin,
Forest Supervisor, Beaverhead-Deerlodge National Forests.
